

Attention All Visitors

September 24, 2010

Dear Visitors,

Please be advised that, beginning on Monday, October 4, 2010, there will be changes to the visitor parking hourly rates and monthly parking passes.

PAY & DISPLAY PARKING

On October 4, the rate for the "Pay & Display" machines located in parking lot "E" by the hospital's Admitting entrance will change from \$2.10 per half hour to \$3 per hour with a three hour maximum time limit. These changes are being implemented as part of an ongoing effort by the Security Department to ensure that parking is readily available to visitors.

MONTHLY PARKING PASSES

Monthly parking passes will continue to be offered through the hospital's Gift Shop on the 1st floor. However, there will be a limit of 10 parking passes per month offered at a rate of \$90 per month. **These passes are sold on a first come, first serve basis only, beginning on the 25th day of each month.** They are valid from the first of the month to month's end.

The hospital will also be offering monthly visitor parking passes to our offsite parking lot at a rate of \$60 per month. The offsite parking lot is located at the corner of Dundas Street and Carlaw Avenue, which is about a 10 minute drive from the hospital. There is a free shuttle service to and from the hospital's main entrance, which is available from 6 a.m. to 6 p.m., Monday to Friday. **ALL CARS MUST BE OUT OF THIS LOT BY 6 P.M. AS THE LOT IS LOCKED AT THIS TIME, UNTIL 6 A.M. THE FOLLOWING MORNING.**

Anyone wishing to view the parking lot before purchasing an offsite monthly pass may request a guided tour by contacting Chris Paulin, Supervisor of Security and Parking, at 416-461-8252, ext. 2024. Tours will be provided by either a member of the Security Department or a Bridgepoint volunteer.

If you have any questions, please contact the Security Department at 416-461-8252, ext. 2086, or e-mail security@bridgepointhealth.ca.

Thank you for your cooperation and understanding.

Bridgepoint Security
